

WHY CHOOSE US

As Federal Government entities face aging information systems, shrinking budgets, and evolving regulatory standards, there is an increasing need for seamless integration, improved efficiency, and greater transparency. *Accord Ventures, LLC is an SBA approved Mentor-Protege Joint Venture (JV) between Universal Consulting Services, Inc. (UCS) and Ankore Consulting, Inc. (Ankore) - both of which are trusted companies that understand the business of government and are uniquely equipped to deliver superior services.* Our depth & breadth of process and technology expertise result in high-quality, agile solutions enabling integrated functionality, enterprise-wide visibility, and lower cost of ownership. We are committed to delivering innovative solutions that enable our Government clients to transform their missions into reality.
